MEG-F10

2.2 Inch diagonal QVGA LCD color screen with 320 x 240 resolution lets you view downloaded album covers, digital still images and create slideshows.

CD RipReclets you copy an entire CD at the push of one button in as little as 5 minutes*. No need to manually move tracks in Windows; place CD in tray, press CD RipRec and the entire contents of the CD are copied directly onto gigabeat®!

Plus Touch sensitive control lets you navigate and choose gigabeat's features quickly and effortlessly.

gigabeat room management software conveniently organizes, stores and manages files for the gigabeat® from your PC. You also have the option of using Windows Media Player 10 or Napster To Go software.

Respect the rights of others. Copy and download legally.
